My dear Admiral Hillenkoetter:

STA

In the past, some of your subordinates have had me scurrying all over the globe in secret anti-American confabs when all the while I was sitting here at home minding my own non-Communist business!

I may visit Washington again in the near future and should very much like to see you for a few minutes if you will kindly permit me. I have a mighty hunch that I might be of greater use to you than certain over-zealous misinformants who presumably had their own "Wicked" reasons for casting aspersion on my character, background and patriotism, in addition to substituting fiction for facts.

Hoping to hear from you at your early convenience, I take this opportunity to assure you of my highest consideration and esteem.

Very sincerely yours,

signed -
